Dear Examiner:

In response to your letter of November 14, 2006, it appears that you have not considered my response of corrected claims faxed November 11, 2006. In my response I have included all claims with proper status identifiers as requested in the notice of non-compliant mailed November 7, 2006. Also, in the corrected amendment of November 11, 2006 there is no new matter added to the claims as addressed in your letter dated November 14, 2006. Please respond to my current amendment, faxed November 11, 2006, with a proper examination to the claims. I also request constructive assistance in preparing a claim according to MPEP 707.07 since it is believed that allowable subject matter has been provided in the current amendment.

Sincerely,

George Vlahos
